(see website – www.ebinternacional.org/en/charm_bracelets – or flyer for images)

**To ensure delivery by Mothers Day, please place your order,
complete with photos, by May 2, 2007.**

Instructions:

Please mail or email this form with payment and photos, which will be returned unharmed along with your finished bracelet. **Digital prints can be e-mailed** as a jpeg attachment, along with any specific instructions for each. (See first page for number of images needed.)

Please indicate if online payment (PayPal) is preferred and include your email address for invoicing.

Please include the following information with your order:

- Can the photos be cropped? If so do you want them cropped to the faces or keep the whole body in?
- Do you want any backgrounds erased?
- If requesting a name or saying...any special instructions or colors?
- Does it matter if the photos are vertical or horizontal on the charms, or does the photo dictate the direction?
- Remember quality photos made the best charms! Head shots of one or two people look best on the 9mm size.
